### CLEMSON TIGERS DEFEAT ERSKINE BY ONE TOUCHDOWN IN FIRST GAME OF GRID SEASON

Score Comes Near End of Third Period; St. C. Davis Makes Touchdown

The Tigers started the season off in a fitting manner last Saturday when they defeated the Erskine Seceders in a well-earned yet hard-fought game of football on Riggs Field. The weather was warm and each side suffered from the heat all through the game. In the first quarter Erskine had the edge, but the other three periods were entirely Clemson's. The Tigers should have made two touchdowns instead of one. On one occasion Clemson had the ball on Erskine's one yard line but were unable to push the oval over. Much credit should be given the Erskine players for the wonderful fight which they had. Every inch of ground that Clemson won was bitterly contested.

Three Tigers wrote their names in Clemson's hall of fame. They were St. Claire Davis, Bob Midkiff, and Dean Pearman. These boys led by Davis literally ripped the Erskine line to pieces. Davis has never shone on the football field before as he did Saturday. He has never taken the game seriously, but this year he is entering in the game with heart and soul. Much success is in store for him. Smashing off tackle thrusts were his hobby. He repeatedly ran the same play and each time he netted large gains.

Bob Midkiff was close behind Davis for the honors. He promises to uphold this position in a most fitting manner. He never fails to pick the opening.

Dean Pearman at full back hit the Seceder's line like a battering ram. He could be relied upon for a gain every time he carried the ball.

The stalwart line was responsible for the fine work that the backs showed. They continually opened the Erskine line and let the backs pass with comparative ease. Harvey, the captain of the team, was in every play. Tom McGlone made many beautiful tackles. "Pap" Timmerman, at end, was carrying his share of honor all the time.

#### Erskine Bright Lights

Red Pratt and Billy Phillips were the outstanding stars for the Erskine outfit. Pratt carried the ball time and time again for neat gains each time. In the initial kick-off, Timmerman kicked to Erskine's fifteen-yard line and Pratt returned the ball 20 yards. Here they ran a few plays but were unable to dent the Tiger line. Pratt then kicked to Clemson's 25-yard line. Link returned the oval 5 yards and on the next play Valentine carried the ball but sustained a sprained ankle that necessitated his leaving the game. Jack was pointed to have a big day but fate intervened.

In the earlier part of the game after three attempts at the line had failed, Bud Eskew kicked. Here Erskine looked dangerous, having made two first downs in succession. However, they were

### CADET OFFICERS OF CORPS ORGANIZE TO CREATE SABRE CLUB

Camp McClellan, Ala. June 19, 1926. Five officers of the Clemson College Cadet Corps met here today for the purpose of organizing an honorary military society. A committee was appointed to draft a constitution and by-laws for the society which is to be known as The Sabre Club. A society of this kind is a new thing at Clemson and it is hoped by the charter members that it will prove a stimulus to initiative in military affairs at this institution. The Club is similar to the National Society of Scabbard and Blade both in organization and purpose. Officers of the club will be elected at the opening of the fall term of college and other members will be taken in at a very early date.

### RED CROSS ASKS FOR RELIEF FOR FLORIDA

The recent disastrous storms in Florida have attracted nation-wide attention, and everywhere people are sending aid to the unfortunate ones in the storm-swept area. The following is a message sent to this paper by Prof. M. E. Bradley, president of the Clemson College chapter of the American Red Cross, asking for contributions to the Red Cross relief fund for the storm sufferers.

Mr. S. Frank Sutton, Chairman of the Oconee County Chapter, American Red Cross has forwarded to the Clemson Branch Chapter the call from national headquarters for relief funds for the storm sufferers in Florida. All the people of the community as well as the corps of cadets are urged to give due consideration to this call in the name of humanity.

Subscriptions may be handed to the following men, who will turn them over to Mr. A. G. Holmes, Treasurer, to be forwarded:

Dr. McCollum—L. C. Martin Co.  
Mr. B. B. Burley—Treasurer's Office.

Mr. T. L. Vaughn—Clemson "Y"  
Cadets are asked to contribute through the captains of the companies who will turn funds over to Mr. A. G. Holmes.

M. E. Bradley  
Chairman Clemson College Branch, A. R. C.

The Tiger heartily endorses this movement of the Red Cross and urges everyone who can to contribute. It is to be remembered how the Red Cross came to the aid of sufferers in our own vicinity two years ago when a storm which swept through this section of the state left destruction in its wake. Therefore the help of everyone who can give is desired for the relief of sufferers in Florida.

### SENIOR HOP TO BE GALA PARTY FRIDAY

LaMottes Orchestra Will Furnish Music for First Dance Of Season

Only two more days till the 24th of Sept., the date that marks the entrance of the first of Clemson's formal dances, of the Senior dance. All indications point to this dance as a distinct social triumph in the eyes of the ones that delight in the art of "tripping the light fantastic," as the list of fair guests contains many names of the elite of South Carolina and adjoining states.

"Buster" Parler, President of the Senior Dancing Club, has secured LaMottes Orchestra, of Columbia, a leading orchestra of the Carolinas, which is well remembered for its high class rendition of dance music at past Clemson Hops. This orchestra is reputed to be even better than last year, so they can be expected to deliver nothing except the superlative of dance music.

Everyone who is going should pay up in Room 133 as soon as possible in order that they may obtain their dance cards before the last-minute rush.

### DR. LONG SPEAKS ON AGRICULTURAL AND ECONOMIC SITUATION

Following the President's plan to have a speaker address the student body each Tuesday and Thursday at chapel, Dr. W. W. Long, Director of the Extension Department at Clemson College, spoke to the student body on the agricultural and economic situation of South Carolina. In his discourses, Dr. Long went back to the days when cheap slave labor was used on the farms of the South, and reviewed the progress made from the time of ignorant and unskilled labor up to the present day modern methods.

He also discussed social, religious, educational, and financial conditions over that period of time. The address was both interesting and instructive to the students and faculty who had the privilege of hearing Dr. Long speak.

### FARRAR AND RITCHIE MADE CHEER LEADERS

At the meeting of the Clemson Athletic Association Thursday night, "Speck" Farrar and Ray Ritchie, two staunch Tigers, were elected Junior cheer leaders. The corps should be congratulated upon their choice as these two boys know how to get things whooped up at any game. With a few additional yells and songs our cheering section is prepared for a great season.

### PLANS ANNOUNCED FOR ENCAMPMENT OF CADET CORPS AT STATE FAIR THIS YEAR

### CADET BAND SLATED TO BE BEST OF KIND IN SOUTH CAROLINA

Musical Organization Issues Challenge to Southern Collegiate Bands

The prospects for a good band this year are usually bright. There are sixty-eight men enrolled in the organization, half of this number are old men and half are new men. The college has a number of first class instruments, and these with the personal instruments of the different men will enable everyone to have a horn.

Captain W. C. Brown is commander of the band. First Lieutenant Guy Hutchins is musical director. Professor E. J. Freeman is Senior Musical Director. The band is so confident that they will have a good organization that they have issued the following challenge:

"During the last three years the Clemson College Cadet Band has made such rapid progress toward a high standard of music that it challenges any college band in the South to produce a programme that will equal that of the Clemson Band."

### CLEMSON ALUMNUS YOUNGEST ARCHITECT

South Carolina and Clemson may well be proud to claim as their own one of the youngest architects of the country. M. B. Kirton, formerly of Cades, now of Jacksonville, Fla., has the honor of being the youngest to be granted a license in that state.

Having passed the examination of the state board of architecture and being registered at the age of 21 he breaks all previous records. This is an honor that few if any in America can claim. Mr. Kirton is a graduate of Clemson College, having received his degree of bachelor of science in 1925. After graduation he entered work in Asheville, N. C., later going into the office of Marsh and Saxelbye of Jacksonville. Mr. Kirton will enter Harvard university next fall for post-graduate work leading up to his master's degree in architecture; and later expects to study in the School of Fine Arts in Fontainebleau, France.

He is now spending his vacation at his old home in Cades.

#### NO BRAINS NEEDED

"Hey, Joe, whatcha gonna do after yuh graduate?"  
"I'm gonna teach."  
"You can't be a teacher; you're too dumb!"  
"I ain't gonna be a teacher—I'm gonna be a college professor."

The Clemson Cadet Corps will again attend the State Fair at Columbia during Fair Week. The Corps having expressed its desire to go back this year. Dr. Sikes has written to the parents of each Cadet advising them of the plans and asking the parents' permission for the son to attend the encampment. Barring any unfavorable replies to this letter the entire corps will go to the fair.

The college authorities are arranging with the railroad to provide two special trains to carry the Corps to Columbia.

Capt. Harcombe will be in charge of the mess, and will carry enough cooks, field ranges, food, etc., to insure each cadet's receiving enough to eat while at camp.

The Corps will camp at the State Fair Grounds, occupying the well-known "pup tents." The cadet commissioned officers will probably be placed in pyramid tents as was done last year.

In order to bring the Corps to a high degree of proficiency along military lines, early morning drill has been started. So many of the freshmen have had no previous military experience that it would be almost impossible to present a creditable appearance at the Fair in so short a time without extra drill, therefore every morning from 6:45 to 7:30 the Tiger Regiment executes "Squads east" and "Squads west," and various other movements.

The rats are making fair progress now and with the extra drill periods they should compare favorably with the old boys at the Fair.

While it has not been definitely announced it has been rumored that the Corps will leave Tuesday before the Clemson-Carolina game, instead of Wednesday as they did last year. This will give the cadets an extra day in Columbia or possibly at the homes if week end leave is granted.

While it is hard to get up an hour earlier, the days spent at the Fair will amply repay the most pessimistic grumbler, so cheer up and let's make a good impression at the Fair.

### CUB REPORTERS FURNISH MATERIAL FOR THIS WEEK'S TIGER

The first efforts of the men who enrolled in the Reporters Club appears in this issue. There were eight men to enroll in the club. Five of them have stories in the Tiger this week. The other three members failed to report for assignments.

The club is quite young and there is plenty of work for all who wish to enroll. If you are at all interested, come by room 357 between today, Wednesday, and Sunday.

The men who have enrolled are H. R. Sherrod, L. B. Middleton, T. L. Smythe, R. C. Harrington, C. A. Jackson, J. J. Cohen, J. J. Avent, and S. L. Gillespie.

### THAT FOOTBALL TEAM

Much has been said elsewhere about that Tiger victory over Erskine last Saturday, but we cannot refrain from commenting on the splendid manner in which that Tiger machine conducted itself on the field. They made a splendid beginning for what promises to be a successful season for the Beasts. We feel confident that our football team is slated for a come back this year and we wish them all the luck in the world. We are backing you to a man, Tigers. May you win every game you go into.

### An Addition

This week The Tiger announces the revival of a department of the paper that has been idle for many months. Beginning this week we are going to run an alumni column in which will be the names, addresses, and occupations of ten men of the class of 1926. Each week ten men will be listed in this column. We hope that in so doing we may help students and alumni locate old friends.

### Taps Drive This Week

The Taps staff is continuing to make drive after drive after funds with which to finance the college yearbook. This book is not as some may think, only the publication of a group of students, but the heritage of the entire senior class. It is the only student publication at Clemson not financed by student activity fees. It is edited, financed, and published by the senior class alone. Of course most of the work done on the annual is handled by the various members of the staff in order to simplify matters and speed up production, and in order for the work to go on finances must be forthcoming. Students, pay up that class space, subscribe to Taps, turn in those club designs NOW, and help this Senior class put out the best annual ever published by Clemson men.

### REPORTER NEEDED

Join that reporters club now, fellows, and get started early. There is a vacancy on the reportorial staff of The Tiger now on account of the failure to return of H. M. Allison who was elected to position of staff reporter last spring. A man to fill the place thus made vacant will be selected from those who enroll in the reporters club. Come around to room 357 at once and let us see how you can handle a new assignment.

"It always makes me laugh,  
So wonderful a treat,  
To see an athlete run a mile  
And only move two feet.

"Why do you work so hard?"  
"I'm too darned nervous to  
steal."

## SLIGHT CHANGES IN FOOTBALL RULES

Four major changes, affecting the forward pass rules and the kick off, or free kick, have been made by the football rules committee.

Hereafter no team can throw more than one incomplete pass in one series of downs without suffering a penalty of five yards. The single pass allowed without penalty will be permitted on the first down play.

Hereafter this change will be made in the safety rule, the ball will be put in play on the twenty yard line instead of the thirty yard line, but only as a kick. The team in possession of the ball will be given the option of punting, drop-kicking or pace kicking the ball with the opposing team "restrained" at ten yards.

The new rule automatically makes this play an outside kick, making it necessary for the defending side to catch or recover the ball before a player on the kicking side reaches it.

The change in the ground rules declares any ball dead that passes beyond the playing field, where

heretofore this held true only in the ball going into the stands or beyond the fence separating the field from the stands. A fumble ball over the line marking the ten yard zone or beyond side lines, belongs to the side whose player last touched the ball within the limits of the field.

In a blocked kick that rolls outside, the ball goes to the blocking side, while a fumble that is touched last in the playing field simultaneously by opposing players goes to the team that did not put the ball in play.

Punts or passes out of bounds belong automatically to the team that did not put the ball in play.

On the kickoff or a free kick it has been decided that no player who steps out of bounds during the play will be eligible to recover the ball.

## FRESHMEN ENTERTAIN WITH VARIED STUNTS IN COLLEGE CHAPEL

Freshman night which was given for the entertainment of Fresh-

men and others on the night of Sept. 4, was the best that has been given for the entertainment of any class at Clemson. Mr. B. A. Schnell, the student and boys work secretary of South Carolina made a very interesting talk.

The rats took part on the program, having Banjo solo's, violin solo's, songs, black faced comedians, and jokes. The program in the chapel was brought to a close with some good music given by the "Rat" orchestra known as the "Marble head Seven." After the conclusion of the program in chapel there was a moving picture shown in the auditorium of the Y. M. C. A.

Many of the people of the campus were present for this occasion and the entire program was enjoyed by every one present. The program was lively from beginning to end and it is the aim of the Y. M. C. A. to give the Freshmen another night of amusement sometime soon. It is hoped that the next program will be even better than the one on the night of Sept. 4.

Those taking part on the program were "Duke" McCrary, Finn, Hodges, "Blackie" Burns, "Hash House" Robertson, "Bogee" Bannister, "Sop" Metze, "Riverside" Watson, McKinney, Lyde, Hendricks, Timmerman, and Deadwiler.

## APPOINTMENTS MADE TO FILL VACANCIES IN CORPS OF CADETS

Several appointments of officers and staff non-commissioned officers in the Corps of Cadets were announced in a general order last Saturday. These appointments were made to fill vacancies that occurred by failure of some students to return to college this fall. They are as follows: Cadet C. E. McLeod, of Beaufort, S. C., second lieutenant, promoted to the grade of first lieutenant; Cadet E. M. Caughman, of Lexington, S. C., and M. H. Hendee, of Augusta, Ga., promoted to the grade of second lieutenant; Cadet D. S. Cuttino, sergeant, promoted to battalion sergeant major; and Cadet W. N. Martin promoted to color sergeant. Cadet Cuttino is from Newnan, Ga., and Cadet Martin is from Greenville, S. C.

## CLEMSON'S HERD OF BERKSHIRES GATHER HONORS IN NORTH

Sweeping competition aside, the Berkshire swine herd of Clemson College continued its brilliant advance through the show rings of the North last week. Winning a dozen first places, four thirds, two fourths, a fifth, two sixths, and a seventh place in a nation wide competition at the National Swine Show, Peoria, Illinois, last week, the college herd established its supremacy in the Berkshire world.

At the Ohio and Indiana State Fairs they won thirty-one first places, sixteen seconds, ten thirds, five fourths, two fifths, and a sixth. This week the herd will be exhibited either at Chatanooga or at Memphis, Tennessee. The week following they go to the South-Eastern Fair at Atlanta. From there they go to the State Fair in Columbia.

## STUDENT HANDBOOK ISSUED BY Y. M. C. A.

The "Y" Hand Book is a pocket sized book published yearly by the Y. M. C. A. of Clemson College. This book covers the main phases of the year's work at Clemson.

As the name of the book implies the greater part of it deals with the work of the Y. M. C. A., such as, the government of the "Y" Vesper Services, Morning Watch, Friendship Council, the Young Peoples Societies, and the local church work.

In the pages devoted to athletics, pictures of the captain of each team are given. Also pictures of the various teams are given.

Besides these features the book contains inspirational poems, guides for daily bible reading, space for notes, and autograph space.

## ARRANGEMENTS BEING MADE FOR HOMECOMING

Next Saturday is Home-Coming Day and a large number of alumni are expected on the campus. Special arrangements are made for their entertainment, and the cadets as well as the faculty, will extend a hearty welcome to them all.

The outstanding event of the day will be the clash between "The Tigers" and the "Bluestockings." Much interest has been aroused in this game, and a large crowd is expected to see the "Tigers" get their revenge for last years defeat.

## JUNIORS TO ELECT CLASS OFFICERS AND COUNCIL MEMBERS

The members of the Junior class are reminded that the regular election of class officers will take place on Friday, September 24. In addition to the four class officers, nine Councilmen will also be elected; the man elected President automatically becomes a member of the Council.

The election will conform to the rules of the Australian Ballot system. The polls will be open in room 162 from 8:00 A. M. to 5:00 P. M. A copy of the ticket has been posted so that all of the voters might have ample opportunity to make their choice of the candidates

## LETTER MEN NAME DUPRE AND MILLING V. P. AND SEC-TREAS.

The Block "C" Club completed the election of officers last week when G. C. Dupre, and J. A. Milling were named Vice-President respectively. The President, Carter Newman, was elected last spring. All three of these men have won the letter award more than once, Newman having won blocks in cross-country, basketball and track. DuPre won his spurs in field events and Milling in baseball. These men are well qualified to hold their positions as leaders of the Tiger lettermen.

## MINSTREL DELIGHTS LARGE AUDIENCE IN CHAPEL FRIDAY NIGHT

A very delightful minstrel was given in chapel last Friday night by the boys of Trinity Episcopal Church. The whole cast is to be complimented on the fine show that they presented.

Besides, good choruses, solos duets, and quartets there was a wealth of good wit. There were four black-face comedians whose quips were enjoyed by every one. "Spec" Farrar brought down the house with his impersonation. Rev. Satterlee with all of his fun was particularly good, as were Townsend, Woodward, Reeves, and others.

## LETTER MEN GIVE ENJOYABLE DANCE

The Block "C" Club gave its first dance in the big "Gym" after the Clemson-Erskine game last Saturday. This informal dance was thoroughly enjoyed by the cadets and the bevy of fair guests who attended and was another Tiger victory for that day.

The music for the occasion was furnished by Clemson's own peppy orchestra, the "Jungleers." These boys are to be congratulated for rounding out such a complete orchestra in the short time that they have had for practice together. Just a little more practice and they will be able to compete with any collegiate orchestra in the south-east.

This dance was the first of a series of Block "C" Hops which will be given every two weeks. Everyone who dances is eagerly looking forward to the next one, so make your plans to bid that girl.

## ANDERSON HOTEL AGAIN EXTENDS CADETS COURTESY

The John C. Calhoun Hotel of Anderson has again this year favored the Clemson cadets with special rates. This was signified in a letter to Dr. Sikes from D. T. Cannon, manager of this well-known hostelry, who highly complimented the Corps on the genteel behavior of its members who were the guests of the hotel last year.

This season, however, the hotel finds it necessary to raise the rate to seventy-five cents and it is hoped that many cadets will avail themselves of this reasonable price.

Anderson has always been a stronghold of Clemson and this is only one of the many things done by her to help the Clemson boys. Remember this when in Anderson.

## CLUBS AND SOCIETIES

### PALMETTO HOLDS FIRST MEETING

The Palmetto Literary Society started a new session by holding a very impressive meeting last Friday evening. Since officers were to be elected, the program was carried out in short order.

Mr. Metz, the first speaker on the program, gave a talk on "Self Cultivation," a subject of much value to college students. Mr. Latham chose as a subject for his declamation, "Life". Mr. Baker gave an interesting reading, and Mr. Stephenson's jokes brought the program to a pleasant close.

The following officers were elected to serve the first term: President, W. C. Maxwell, Vice-president, J. A. Stephenson; Rec-Secretary, J. C. Garrison; Corres-Secretary, E. B. Earley; Treasurer, G. E. Metz; Literary Critic, T. B. Skinner; Prosecuting Critic, J. P. Cannon; Sergeant at Arms, C. L. Parnell; Chaplain, C. N. Cromer.

After the election of officers the president extended an invitation to those wishing to become members of the society. The following names were submitted: R. C. Alexander, O. H. Adams, J. Fogle, R. H. Jamison, J. A. Jordan, J. H. Keith, J. M. Lawton, and G. A. Young.

The new members having taken oath, the president welcomed them to help make this the most successful year in the history of the society.

## TOMORROW SET FOR FARM POWER AND MACHINERY DAY HERE

Tomorrow, September 23, is designated as Farm Power and Machinery Day at Clemson. Many farmers from nearby counties and also representatives of implement manufacturers are expected to be on the campus to inspect and demonstrate the use of power equipment in the farming industry.

This meeting is to be purely educational, the purpose being to show the farmer how he can efficiently compete with farmers of other states by using power driven implements.

### Program

The following program for the day will be carried out provided the weather permits:

9 A. M. Inspection of machinery exhibits on Bowman field and in the Farm Machinery Building.

10:30 A. M. Y. M. C. A. Auditorium, D. W. Watkins of the Extension Service presiding. Welcome to Clemson, Dr. E. W. Sikes, President.

Purpose of the day, J. T. McAlister. Talks by Power Farmers: Wade Drake and J. B. Douthit, Jr. of Anderson County and C. S. Isbell, Oconee County.

Motion Pictures, "The triumph of tractor power" and "Farm Progress."

12 o'clock adjournment to College Chapel.

1 P. M. Dinner.

2 P. M. Demonstration of "All-Purpose" type tractors and other machinery on College Farm. There will be shown at this time the latest development in tractors with cultivating and mowing attachments as well as other farm operations to which tractor power may be applied.

All students are invited and agricultural students are urged to attend the meetings and demonstrations if regular College duties do not conflict.

## JUNGLEERS RATED ONE OF BEST JAZZ BANDS OF SOUTHEAST

Several times last week melodious strains of "jazz" floated up from the mess hall. These pleasing melodies were produced by our dance orchestra, better known as the "Jungleers." The Jungleers, under the direction of Jake Cromer gave promise of being even better than they were last year.

The orchestra this year will be composed of nine pieces, piano, trumpet, trombone, banjo, three saxophone, bass horn, and drums. The welder of each of these instruments is a musician of good repute, and with a little more practice the "Jungleers" may be rated as one of the best orchestras in the state, and in the southeast.

### A. S. C. E. HOLDS IMPORTANT MEETING

The A. S. C. E. started the year off right with a very interesting meeting last Thursday night. Practically every member was present.

The business part of the meeting consisted of discussions on the number of new members to be taken into the society, and the question of initiation. A motion was made and carried to take only seven Juniors into the society regardless of the size of the class. Two nights were set aside for the taking of new members into the society: one night to be set aside for the "fun", and the other night for the initiation.

Professor Tucker, head of the Mechanics Department, made a very interesting talk on Tau Beta Pi, the engineering fraternity. He encouraged very much the introduction of this fraternity at Clemson. The A. S. C. E. invites the other engineering societies to cooperate with it in doing everything possible toward getting a chapter of Tau Beta Pi at Clemson.

## CORPORAL BISHOP OF EIGHTH INFANTRY INSTRUCTS BUGLERS

The Drum and Bugle Corps' new instructor, Corporal Bishop, is to be congratulated upon the great improvement shown by the "Hell Cats" recently. Corporal Bishop is of the Eighth Infantry, stationed at Fort Scriven, near Savannah, Ga. He is well liked by all who know him here, and if his good work continues we should have a first class Bugle Corps before November, 15, the date on which he will return to Fort Scriven.

### NINCOMPOOPS PLAN TO CELEBRATE ANNUAL RE- UNION IN FINE STYLE

The Nincompoops will hold their first official meeting of the session on next Saturday evening, it was announced here last night by the Grand Goggler of the society. The annual fall meeting will be celebrated this year by a squirrel shoot and corn goggling in the hills of Pickens County. The Nincompoops have long held the reputation for

entertaining in HIGH style, but this year they are planning to eclipse all former records. It is expected that several new members will be admitted to this select band.

## Camels add the charm of living

WHETHER through the tasks of every day, or in life's moments of crisis and great reward, the comfort and understanding of Camel cheers us on our way. For no other cigarette was ever so friendly, so loyal as Camel. The unfathomed goodness, the deep underlying quality of Camel tobaccos is ever-dependable.

The world's largest tobacco organization buys the best of everything for Camels. The choicest Turkish and Domestic tobaccos

grown. The kind of blending that only such a group of experts could give. Regardless of what you are willing to pay, there is no other cigarette like Camel; there can be no better cigarette made than Camels. Camels never tire the taste, no matter how indefatigably you smoke them, never leave a cigaretty after-taste.

If you don't yet know Camel enjoyment, just sample the most exquisite fragrance that ever came from a cigarette. Have a Camel!

Forest Park, Ill.

The Parker Pen Company,  
Gentlemen:

At 4:10 P. M. yesterday I took off in my Yackey plane from Checkerboard field. When I reached an altitude of 3000 feet I leaned over the side and dropped a Parker Over-size Duofold Pen. A few minutes later I made a landing near my starting point, and a crowd was examining the same Parker Duofold pen, which had landed on hard ground. To my great surprise, the pen had not been damaged in the slightest by its 3000 feet drop.

## Start School with a Pen that won't break— Dropped 3000 feet!

YES, the Parker Duofold Pen was tossed from an aeroplane at dizzy altitude to test our new Non-Breakable material "Permanite," and landed 3000 feet below—unharmd.

Tests such as this are the best guarantees that a pen will last practically forever.

For a year we kept secret the fact that Parker Duofold Pens and Pencils have barrels of this new lustrous, beautiful, light-weight Permanite until a whole series of heroic demonstrations proved that it does not break.

This black-tipped lacquer-red beauty is not only the smartest, shapeliest pen, but the greatest writing instrument the world has ever seen. Its yielding, super-smooth point is guaranteed 25 years not only for mechanical perfection but for wear.

Choose your point and color at any good pen counter. But look with care for the name "Geo. S. Parker" on the barrel—the mark of highest excellence.

## MY GIRL

My girl is wonderous fair.  
I love her all the time  
Each move she makes,  
Each step she takes,  
I'm glad that she is mine.

I love to hear her sing and play  
And let the verses rhyme.  
'Tis the latest songs  
You can't be wrong,  
If you love a girl like mine.

Her brown eyes are never blue.  
She always wears a smile  
When its time I know  
That I should go,  
I want to linger a while

Many good times I've had with her  
There were times when I held her  
tight.

But the sweetest bliss  
Was that lingering kiss  
When it was time to say good-  
night

Time would not wait for me  
Those pleasures have passed and  
gone.

It came, the hour and the day,  
That I must go away,  
And the wheels of time rolled on.

Now many miles divide us,  
But still our hearts are near.  
Our love is true,  
Its strength is two,  
So why should either of us fear

# S P O R T S TIGERS FIGHT HARD, BUT DOWN ERSKINE S P O R T S

The Tigers certainly roared triumphantly on Riggs Field last Saturday. That's the way to start the season. Let's continue the good work. With the stars and the reserve strength that Clemson has she should be able to hold her own against any team in the south. The Tigers are in the beginning of a new era in athletics. The spirit is entirely different among the players and there is keener competition for positions. This alone is sufficient to make a winning eleven. Hear those Tigers roar.

Lets rip those Bluestockings to threads next Saturday. Clemson is due to retaliate for the defeat that P. C. handed them last year. P. C. is coming to Clemson with the expectation of duplicating their feat of last fall but the Tigers have a different tale to tell. Take the "blue" out of the Bluestockings, Tigers.

If "Pluto" Davis continues the stride that he set against the Erskine Seceders Saturday, he is certain of a berth on the all-state selection this year. They simply couldn't stop him. Time and time again he would run the same play for a gain each time.

Bob Midkiff stepped into the limelight against Erskine because of the wonderful side-stepping gains that he repeatedly made. Bob is slated for a big year. He has worked hard and deserves a place on the team. He is light and fast, and has the elusiveness of an all-American.

Dean Pearman hit the line with such force that he couldn't be stopped. He is one of the newcomers from the freshman squad of last year and is pointed to make good. Imes was also responsible for many of the Tiger's gains.

Captain "Chubby" Harvey was there in every play. He was one of the main factors in opening the line up for the backfield to pass through.

Eskeew and McMillan upheld the punting end of the game in a fitting manner. Their kicks were somewhat short but they got them off in plenty of time. That's where the Tigers were weak last year.

Clemson is justly proud of one of her sons. He is "Flint" Rhem the man who has made a worldwide name for Clemson and himself. He brought his total number of games won up to twenty the other day. Rhem is with the St. Louis Cardinals and deserves a great deal of credit for putting this team in first place. He was promised a salary of \$20,000.00 a year for three years if he won twenty games this season and it seems that he has come up to the mark.

It has been suggested that the Clemson Student Body send Flint a wire of congratulations and the writer of this column thinks that it is a well worth while suggestion.

After the P. C. game comes the annual contest with Auburn. The Tigers journey down there this year and a great battle is certain to ensue when the Tiger of the hills meets the Tiger of the plains.

Capt. Lee: "Did the bulldog they stole from you have any earmarks?"  
Col Cole: "Yes, it had its tail cut off."

## Tigers Set For Presbyterianians

### Beasts and Bluestockings Set For Annual Homecoming Clash

The Tigers are resharpning their claws for the second contest of the year next Saturday on Riggs Field Presbyterian College is to be the opponent then. Clemson started the season off by winning over Erskine last week and she intends to continue the good work Saturday.

Coach Saunders and his assistants, Coaches Richards and Padgett, have been polishing the rough edges that made their appearance against Erskine. He has been giving special attention to interference. It wasn't so good in the other game but not much more could be expected from a team so early in the season. Things should be running smoothly when they meet the Bluestockings.

The entire P. C. team, including the coaches, witnessed the game here last week. They are coming to Clemson Saturday with the expectations of duplicating their feat of last fall, but the Tigers have a different tale to tell. Clemson really outplayed them last year but lost the game on two blocked punts. The Tiger made thirteen first downs to P. C.'s lone one. With better punting facilities, the Tigers are certain to rip those Bluestockings.

With such men as Captain Harvey, Tom McGlone, "Fatty" Hall, Pressley, Ed Wall, and "Pap" Timmerman in the line and Bud Eskeew, "Pluto" Davis, Bob Midkiff, Dean Pearman, and Imes in the backfield, things look dark for the Presbyterianians.

were determined to make a touchdown. This is where St. Claire Davis starred. He made repeated gains down the field until the ball was across the goal line for the only touchdown of the game. Dean Pearman made a well-timed placement kick for the extra point.

After the touchdown the teams exchanged a few punts. Erskine had her chance to score when Pratt's punt touched Davis and bounded into the Seceders who recovered in midfield. They immediately began a rapid passing attack which failed to gain them anything. Clemson then started another attack led by Ames and Davis and carried the ball deep in to Erskine's territory. Had not

In the second half Coach Saunders made a great many substitutions in order to test out his men. He has reserve strength that will stand up against any team in this section.
